1 **DECLARATION OF ROLAND TELLIS AND DAVID STELLINGS**

2 We, Roland Tellis and David Stelling, declare as follows:

3 1. Roland Tellis is an attorney licensed to practice before this Court and
4 all courts of the State of California. David Stelling is admitted to practice before
5 this Court *pro hac vice*. We are partners in the law firms of Baron & Budd, P.C.
6 and Lief Cabraser Heimann & Bernstein, LLP, respectively, and were appointed
7 by this Court as Co-Lead Counsel for Plaintiffs in the above-captioned matter. ECF
8 106.

9 2. We have personal knowledge of the following facts, and if called as
10 witnesses, we could and would testify competently to them. We make this
11 declaration in support of the Mitsubishi Plaintiffs’ Motion for Preliminary
12 Settlement Approval and Direction of Class Notice under FED. R. CIV. P. 23(e).

13 **Litigation and Settlement History**

14 3. Investigating and prosecuting this complex, multi-district litigation to
15 date has required significant work, effort, and expense over the course of more than
16 five years. Prior to reaching the Settlement with Mitsubishi, the Plaintiffs and
17 proposed Settlement Class Counsel conducted a comprehensive factual
18 investigation into Plaintiffs’ allegations, which involve a highly technical
19 automotive safety defect in approximately 100,000 Mitsubishi Class Vehicles.

20 4. Plaintiffs’ investigation included detailed requests for production
21 propounded on Mitsubishi Motors North America and jurisdictional discovery
22 requests issued to its Japanese parent company, Mitsubishi Motors Corporation.
23 The Parties met and conferred extensively about this discovery and a variety of
24 other topics, including Mitsubishi’s ESI preservation and collection. In response,
25 Mitsubishi produced, and Plaintiffs reviewed, approximately 11,325 pages of
26 documents relevant to Plaintiffs’ claims.

27 5. Plaintiffs have also engaged in extensive discovery with the suppliers
28 for the defective parts in the Mitsubishi Class Vehicles—the ZF-TRW Defendants

1 and the ST Defendants—to develop their understanding of the ACU Defect in
2 Mitsubishi Class Vehicles and relatedly, their case against Mitsubishi. To date, the
3 ZF-TRW Defendants have produced more than 2.8 million pages of documents, and
4 the ST Defendants have produced over 10,000 additional pages, which provide
5 important insights and technical details on the DS84 ACUs, the DS84 ASICS, the
6 alleged defect therein, and Mitsubishi and the other Defendants’ knowledge of the
7 same. All told, Defendants have produced nearly four million pages of documents
8 relevant to Plaintiffs’ claims and the ACU defect in this litigation.

9 6. Settlement Class Counsel have reviewed and analyzed the extensive
10 body of relevant documents produced by Mitsubishi and the other Defendants, as
11 well as material they obtained through their own investigative efforts, to inform
12 Plaintiffs’ understanding of the strengths and weaknesses of their claims against
13 Mitsubishi.

14 7. Following the appointment of Settlement Special Master, Patrick A.
15 Juneau, Esq., Co-Lead Counsel and Mitsubishi’s counsel spent considerable time
16 and resources in arm’s length settlement negotiations for nearly two years. The
17 parties participated in several in-person mediation sessions, all of which were
18 overseen by the Court-appointed Settlement Special Master. The parties also
19 engaged in dozens of video and telephonic conferences to further their negotiations.

20 8. The Parties reached agreement on material terms for a settlement in
21 late fall of 2023. The Parties then spent the next several months drafting and
22 finalizing the Settlement Agreement, related exhibits, and proposed notice program
23 now before the Court. This included the time needed to prepare translations for
24 review and discussion with the Japanese parent company, Mitsubishi Motors
25 Corporation. The Settlement Agreement is attached hereto as **Exhibit C**.

26 **Settlement Benefits and Anticipated Recovery**

27 9. The Settlement benefits are discussed at length in the accompanying
28 memorandum and points of authorities and in the proposed Long Form Notice,

1 among other places. In short, the Settlement secures a non-reversionary Settlement
2 Amount of \$8,500,000. Class members may claim up to \$250 per Class Vehicle
3 from the non-reversionary common fund. To calculate individual Class member
4 payments, the available Settlement funds will be divided evenly, on a per-capita
5 basis, among the Mitsubishi Class Vehicles for which timely and valid claims are
6 submitted. *Id.* § III.B.2¹. And because the \$8.5 million Settlement Amount is non-
7 reversionary, each Class member who submits a valid and timely claim also stands
8 to receive a potential second distribution of up to \$750 from any unclaimed funds
9 that remain after the eligible claims are paid.

10 10. If such additional payments are not economically feasible to distribute,
11 only then will any final balance be directed *cy pres* subject to Court approval. After
12 the close of the claims period, if additional payments to Class members are not
13 economically feasible to distribute given the amount that remains, Settlement Class
14 Counsel and Mitsubishi Counsel will assemble potential recipients with an
15 identified and appropriate need for the scope of funds that remain at that time, and
16 present their proposals to the Court for its consideration under applicable precedent.

17 11. In addition to the cash compensation, the Settlement also secures
18 valuable and relevant benefits for the Class in a ten-year-long Settlement Inspection
19 Program that mandates procedures for the active investigation of field failures in
20 Mitsubishi Class Vehicles that may be caused by the ACU Defect. Furthermore, it
21 provides for incident reporting to the federal safety regulator, NHTSA, to further
22 ensure a fulsome record in the regulatory investigation that parallels Plaintiffs'
23 consumer protection claims.

24
25 _____
26 ¹ If more than one Class Member submits a valid Claim Form for the same Class
27 Vehicle, then the original owner who purchased that Class Vehicle new will receive
28 60% of the funds allocated to that Mitsubishi Class Vehicle, and the remaining 40%
will be distributed evenly to or among the remaining Class Member(s) that submit a
valid Claim Form on that Class Vehicle. SA ¶ III.B.2.

1 on the litigation overall, with the benefit of insight, guidance, and experience on
2 discrete litigation and strategy issues.

3 16. Pursuant to the Court-entered Common Benefit Order (“CBO”), ECF
4 111, Liaison Counsel, each participating Plaintiff Steering Committee (“PSC”) firm,
5 as well as other counsel authorized by Co-Lead Counsel to perform common
6 benefit work, submitted monthly time and expense reports to our firms. The firms
7 and attorneys expressly authorized by Co-Lead Counsel to perform work that may
8 be considered for common benefit compensation are collectively referred to as
9 “Participating Counsel” below.

10 17. Attorneys and staff working at our direction and under our supervision
11 collected these common benefit submissions and have maintained a database of all
12 submitted time and expenses. These attorneys and staff continue to audit the
13 submissions to ensure that only time and expenses that inured to the benefit of the
14 Settlement Class have been included in the time and costs will be presented the fee
15 motion.

16 18. In advance of that forthcoming motion, pursuant to the Court’s civil
17 standing orders, attached as **Exhibit A** to this declaration is a spreadsheet that
18 presents a summary of the common benefit work performed by Participating
19 Counsel authorized by Co-Lead Counsel to perform common benefit work under
20 the Court’s Order re Protocol for Common Benefit Work and Expenses (the
21 “Common Benefit Order” or “CBO”) (ECF 111). The spreadsheet is organized by
22 the 13 specific task categories set forth in the CBO, and lists the law firms, names,
23 positions, number of hours worked, hourly rate, and fees for each of the attorney
24 and staff members who performed the common benefit work.

25 19. Attached as **Exhibit B** to this declaration is a spreadsheet that presents
26 the same information as Exhibit A, but organized by attorney/staff member, and
27 includes a grand total of all the fees across all timekeepers and all law firms.
28

1 20. The CBO imposes limitations on the hourly rates for Participating
2 Counsel of \$895/hour for partners; \$350-\$600/hour for associates; \$415/hour for
3 document review attorneys; and \$175-\$275/hour for paralegals and assistants. *See*
4 ECF 111 at 5-6. For many timekeepers, these Court-capped hourly rates fall well
5 below their standard and customary rates. The CBO also imposes limitations on
6 reimbursable expenses. *Id.* at 4-5. Exhibits A and B include the normal hourly rates
7 for the attorneys and staff members who performed common benefit work, along
8 with an adjusted rate that applies the capped billing rates from the CBO.

9 21. The data for Exhibits A and B come from monthly common benefit
10 timekeeping reports that we have received pursuant to the CBO. Collectively, these
11 reports include approximately 50,000 individual time entries to date. Attorneys and
12 staff at our direction continue to review and audit the recent time submissions to
13 ensure that (a) the work reflected was authorized by Co-Lead Counsel; (b) entries
14 were coded to the appropriate task code; (c) entries were not erroneously submitted;
15 and (d) to exercise reasonable billing judgment in the time submitted, among other
16 critical auditing tasks. We anticipate this process will be complete in the coming
17 weeks.

18 22. Because the extensive data summarized in Exhibits A and B have not
19 yet been fully audited, these figures are not final, and we anticipate that the data
20 (and in some instances, the currently assigned task code category) will change for
21 the forthcoming motion for attorneys' fees and expenses.

22 **Lodestar Allocated to the Mitsubishi Class Claims**

23 23. As described in Exhibits A and B, Plaintiffs' total lodestar to date
24 (using the capped billing rates) is \$52,307,497.00, which reflects the common
25 benefit work performed at our direction and submitted to date. The total lodestar to
26 date applying each timekeeper's standard hourly rates is \$58,186,721.50. From
27 these top line numbers, we subtract the lodestar previously allocated to the Toyota
28 Settlement (\$11,520,547.22 with capped rates, and \$12,800,004.84 with market

1 rates). The remaining “adjusted lodestar,” using the capped and reduced hourly
2 rates set by the Court in the CBO, is \$40,786,949.78. The total adjusted lodestar
3 with each timekeeper’s standard and routinely Court-approved hourly rates is
4 \$45,386,716.66, for a reduction of approximately 10% (\$4.6 million) from the
5 market-rate fees of participating counsel.²

6 24. Based on our experience, in complex, multi-defendant litigation like
7 this, in which work is performed to advance multiple claims both collectively and
8 specifically, it is common for counsel to apportion a percentage of the total lodestar
9 attributable to a particular settling Defendant, because it is not practicable to
10 disaggregate the common benefit work across each individual defendant. For that
11 reason, we estimate the lodestar attributable to the Mitsubishi Plaintiffs’ claims
12 herein and used this methodology to arrive at a fee apportionment in the previous
13 settlement with Toyota in this litigation and in other MDLs with multiple
14 defendants and claims, including *In re Volkswagen “Clean Diesel”* (N.D. Cal.).

15 25. Based on our professional judgment and our familiarity with the work
16 performed at our direction, we estimate the work fairly and reasonably attributed to
17 efforts that benefited the proposed Mitsubishi Settlement Class and the prosecution
18 of their claims as follows: from the total, 70% of Counsel’s efforts to the Vehicle
19 Manufacturer Defendants, and the remaining 30% to the supplier Defendants (ZF
20 and STMicro), recognizing that much of the work for the suppliers also advances
21 the claims against the Vehicle Manufacturers.

22 26. Within the amount allotted to the Vehicle Manufacturer Defendants,
23 we estimate approximately 4% of that work is reasonably assigned to Mitsubishi.

24 ² Pursuant to the CBO, Participating Counsel record and submit their monthly time
25 using their then-present (historical) hourly rates, but counsel may seek an award of
26 fees based on their current hourly rate at the time of settlement. CBO at 5. For that
27 reason, the preliminary data submitted with this filing reflects the historical rates as
28 submitted per the CBO, but Co-Lead Counsel anticipate adjusting the rates to the
current rates for each timekeeper once the auditing process is complete for the
forthcoming attorneys’ fees motion.

1 This apportionment to Mitsubishi is supported by (a) the size and scale of the
2 Mitsubishi Class, which cover approximately 100,000 of the 15 million Class
3 Vehicles at issue in this MDL; (b) efforts in responding to Mitsubishi and the other
4 Defendants' joint pleading challenges to the Consolidated Complaint; (c) the
5 discovery, investigative and expert work that developed and advanced the
6 Mitsubishi Plaintiffs' claims to this favorable resolution; and (d) the focused time
7 and efforts to negotiate the proposed Settlement terms with Mitsubishi over the
8 course of nearly two years.

9 27. In addition to the extensive common benefit work performed to date,
10 significantly more work will be required to (1) obtain final approval of the
11 Settlement; (2) protect the Settlement on appeal (if any appeals are lodged); and (3)
12 oversee and help implement the Settlement over the Claims Period, which will
13 include, among other things, assisting with claims and responding to inquiries from
14 Class members who owned or leased one of the approximately 100,000 Class
15 Vehicles. We therefore anticipate that Plaintiffs' Counsel will incur no less than
16 \$233,333 in lodestar (approximately 350 hours)³ to finalize, protect, and implement
17 the Settlement.

18 28. Based on the above, the estimated Mitsubishi lodestar at issue for
19 purposes of the forthcoming attorneys' fee request, using the applicable CBO rate
20 caps, will be approximately \$1,142,034.59 (subject to adjustments from auditing as
21 described herein). Including the anticipated future work to implement and protect
22 the Settlement, the total Mitsubishi lodestar is expected to be \$1,375,367.59.

23 29. With respect to the maximum fees and expenses request of up to
24 \$2,550,000, assuming an expenses request of \$150,000, this yields a reasonable
25

26 _____
27 ³ For this exercise, we used an estimated blended average rate of \$650, assuming a
28 distribution of partner and associate work on the kinds of tasks to come.

1 multiplier of approximately 2.1 without future fees, and 1.75 with future fees
2 included.⁴

3 **Settlement Class Counsel’s Billing Rates Are Reasonable**

4 30. Settlement Class Counsel are highly skilled practitioners with
5 extensive experience litigating complex class actions, including automotive defect
6 class actions. As such, and as will be further supported in the motion for attorneys’
7 fees, the capped billing rates identified above are reasonable, and indeed, a material
8 reduction from the standard hourly rates used by many of the attorneys working on
9 this matter. *See, e.g., In re ZF-TRW ACUs*, 2023 WL 6194109, at *22-23; *In re ZF-*
10 *TRW ACUs*, 2023 WL 9227002, at *16 (this Court recently approving the hourly
11 rates fixed in the CBO, based on precedent and recent data from the Real Rate
12 Report for the Los Angeles market).

13 **The Settlement Class Representatives**

14 31. Based on our considerable experience in complex consumer class
15 action litigation and observations during the course of this case, it is our
16 professional opinion that each of the three Mitsubishi Plaintiffs willingly,
17 constructively, and effectively contributed to the prosecution of the claims on
18 behalf of the Class.

19 32. The Mitsubishi Plaintiffs have actively participated in this litigation
20 and will continue to vigorously protect class interests, as they have throughout this
21 litigation. Plaintiffs understand their duties as Settlement Class Representatives and
22 have agreed to consider the interests of absent Settlement Class Members. Plaintiffs
23 have reviewed and uniformly endorsed the Settlement terms and have no interests
24 that would be in conflict with the Class Members. Each Representative has also

25 _____
26 ⁴ Settlement Class Counsel will seek reimbursement of up to \$150,000 in litigation
27 expenses, for reasonable costs that have (and will be) incurred to advance the
28 Mitsubishi Plaintiffs’ claims pursuant to the terms and limitations from the CBO.

1 expressed their continued willingness to protect the Class until the Settlement is
2 approved and its administration completed.

3 33. Over the past five years, each Mitsubishi Plaintiff devoted significant
4 time to serve the interests of the Settlement Class, by, among other things:
5 providing extensive factual information to assist counsel with drafting the
6 complaints; regularly communicating with counsel to stay abreast of developments
7 in this litigation; searching for relevant and responsive materials about their Class
8 Vehicles, and providing those materials to counsel for production in discovery;
9 conferring with counsel to prepare and finalize detailed responses to
10 Interrogatories; working with counsel to review and evaluate the terms of the
11 proposed Settlement Agreement; and expressing their continued willingness to
12 protect the Class until the Settlement is approved and its administration completed.

13 34. Considering the extensive efforts required to prosecute this case and
14 serve the Settlement Class, we estimate that each Mitsubishi Plaintiff spent at least
15 25 hours on the litigation. For their longstanding commitment and contributions to
16 the case, Counsel submit that these three individuals have earned the moderate
17 service awards (\$2,500) to be requested in the forthcoming motion.

WHEREAS, Settlement Class Counsel (all terms defined below) and other counsel who have appeared in these Actions, have conducted substantial discovery, have investigated the facts and underlying events relating to the subject matter of the claims, have carefully analyzed the applicable legal principles, and have concluded, based upon their investigation, and taking into account the risks, uncertainties, burdens and costs of further prosecution of their claims, and taking into account the substantial benefits to be received pursuant to this Agreement as set forth below, that a resolution and compromise on the terms set forth herein is fair, reasonable, adequate, and in the best interests of the Mitsubishi Plaintiffs and the Class;

WHEREAS, as a result of extensive arm's-length negotiations, including numerous mediation sessions amongst Co-Lead Counsel and Mitsubishi's Counsel before the court-appointed Settlement Special Master, the Mitsubishi Plaintiffs, Co-Lead Counsel on behalf of Settlement Class Counsel, and Mitsubishi have entered into this Agreement, which will resolve all economic loss claims and any and all economic loss controversies against Mitsubishi that were or could have been alleged in the Actions;

WHEREAS, Mitsubishi, for the purpose of avoiding the burden, expense, risk, and uncertainty of continuing to litigate the claims, and for the purpose of resolving all economic loss claims and controversies that were or could have been asserted by the Mitsubishi Plaintiffs and the Class, for good and valuable consideration, and without any admission of liability or wrongdoing, desires to enter into this Agreement;

WHEREAS, Co-Lead Counsel represent and warrant that they are fully authorized to enter into this Agreement on behalf of the Mitsubishi Plaintiffs, the Class, and Settlement Class Counsel, and that the Mitsubishi Plaintiffs support and have no objection to this Agreement; and

WHEREAS, it is agreed that this Agreement shall not be deemed or construed to be an admission, concession, or evidence of any violation of any federal, state, or local statute, regulation, rule, or other law, or principle of common law or equity, or of any liability or wrongdoing whatsoever, by Mitsubishi or any of the Released Parties, or of the truth or legal or factual validity or viability of any of the claims the Mitsubishi Plaintiffs have or could have asserted, which claims and all liability therefore are expressly denied;

NOW, THEREFORE, without any admission or concession by the Mitsubishi Plaintiffs or Settlement Class Counsel of any lack of merit to their allegations and claims, and without any admission or concession by Mitsubishi of any liability or wrongdoing or lack of merit in its defenses, in consideration of the mutual covenants and terms contained herein, and subject to the final approval of the Court, the Mitsubishi Plaintiffs, Co-Lead Counsel on behalf of Settlement Class Counsel, and Mitsubishi agree as follows:

I. PROCEDURAL HISTORY

A. This litigation is part of a multi-district litigation established and transferred to this Court on August 8, 2019. The MDL concerns airbag control units and component parts that are allegedly defective because they are vulnerable to an electrical overstress condition which can result in the malfunction of the passenger safety system, including failure of airbags in a vehicle to deploy during a collision.

B. On May 26, 2020, Plaintiffs filed a Consolidated Class Action Complaint. This complaint named 66 plaintiffs from 29 different states. Plaintiffs asserted various RICO, fraud, breach-of-warranty, and statutory consumer-protection claims against Mitsubishi Motors Corporation and Mitsubishi Motors North America, Incorporated (collectively, “Mitsubishi” and/or “Mitsubishi Defendants”).

C. On July 27, 2020, MMC and MMNA filed a Motion to Dismiss (the “Mitsubishi Motion”). (Dkt. 212). The Mitsubishi Plaintiffs opposed the Mitsubishi Motion on September 25, 2020 (Dkt. 288) and Mitsubishi replied on November 9, 2020 (Dkt. 294).

D. In addition to Mitsubishi’s Motion, Mitsubishi joined in the Joint Motion to Dismiss (the “Joint Motion”) filed on behalf of all Defendants, ZF Active Safety and Electronics US LLC, ZF Passive Safety Systems US Inc., ZF Automotive US Inc., ZF TRW Automotive Holdings Corp., ZF North America, Inc., ZF Friedrichshafen AG, ZF Holdings B.V., STMicroelectronics, Inc., STMicroelectronics N.V., STMicroelectronics International N.V., American Honda Motor Co., Inc., Honda of America Mfg., Inc. and Honda R&D Americas, Inc., Mitsubishi Motors North America, Inc., Hyundai Motor America, Inc., Kia Motors America, Inc, Hyundai Mobis Co., Ltd., Mobis Parts America, LLC, FCA US LLC, Fiat Chrysler Automobiles N.V., Toyota Motor North America, Inc., Toyota Motor Sales, U.S.A., and Toyota Motor Engineering & Manufacturing North America, Inc. (collectively, "Defendants") on July 27, 2020. (Dkt. 208). Plaintiffs opposed the Joint Motion on September 25, 2020 (Dkt. 281) and the aforementioned Defendants replied on November 9, 2020 (Dkt. 299).

E. The Mitsubishi Motion, Joint Motion, and motions to dismiss filed by other Defendants were heard on January 25, 2021. The Court granted in part and denied in part Mitsubishi’s Motion, the Joint Motion, and the other OEMs motion to dismiss on February 9, 2022 (Dkt. 396).

F. On May 26, 2022, Plaintiffs filed an Amended Consolidated Class Action Complaint (“ACCAC”), which is the operative pleading for Plaintiffs’ claims. (Dkt. 477). The ACCAC complaint named 53 plaintiffs from 23 different states. The Mitsubishi Plaintiffs bought their vehicles in three states: California, Colorado, and Wisconsin. The Mitsubishi Plaintiffs assert

various RICO, fraud, breach-of-warranty, unjust enrichment, and statutory consumer-protection claims against MMC and MMNA.

G. On June 7, 2022, the Court appointed Patrick A. Juneau as Settlement Special Master (Dkt. 493).

H. On May 25, 2023, MMC and MMNA filed a Motion to Dismiss the ACCAC under Federal Rules of Civil Procedure 12(b)(2) and 12(b)(6). (Dkt. 713).

I. Further to the mediation process outlined above, Co-Lead Counsel and Mitsubishi negotiated with the assistance of the Settlement Special Master; these settlement discussions have culminated in this Settlement Agreement.

J. Settlement Class Counsel has conducted an extensive investigation regarding the facts and the law relevant to the claims and defenses against Mitsubishi in this case. Discovery in this litigation has included multiple sets of document demands and requests for production, interrogatories, and requests for admissions, as well as confirmatory discovery. In total, Mitsubishi produced approximately 11,325 pages of documents, including highly technical materials regarding the Mitsubishi Class Vehicles. Settlement Class Counsel have reviewed and analyzed the documents produced by Mitsubishi, as well as tens of thousands of relevant documents produced by the ZF Defendants regarding the ZF ACUs installed in the Mitsubishi Class Vehicles.

III. SETTLEMENT RELIEF

In consideration for the dismissal of the Actions against Mitsubishi with prejudice, as contemplated in this Agreement, and for the full and complete Release, Final Approval Order and Final Judgment provided below, Mitsubishi agrees to provide the following:

A. Qualified Settlement Fund

1. The Parties, through their respective counsel, shall establish a Qualified Settlement Fund (“QSF”), pursuant to Internal Revenue Code § 468B and the Regulations issued thereto, with the Settlement Fund to be held by the Escrow Agent. The name of the QSF shall be “Mitsubishi Airbag Control Unit Class Action Settlement QSF.” All payments to be made by Mitsubishi Defendants pursuant to this Agreement shall be made by wire transfer into an Escrow Account, established and controlled consistent with and pursuant to an escrow agreement with the Escrow Agent. Unless directed otherwise from Co-Lead Counsel and Mitsubishi, the Escrow Agent shall invest the payments in a money market mutual fund, money market deposit account, a demand deposit account, and/or a similar account, with a stated preference for investments in conservative financial instruments, including, but not limited to, short-term United States Agency or Treasury Securities. The account shall collect and reinvest any and all interest accrued thereon, if applicable, unless costs and fees and/or interest rates are such that they would effectively preclude investment in interest-bearing instruments as defined herein. All: (a) taxes on the income of the Escrow Account; and (b) expenses and costs incurred with taxes paid from the Escrow Account (including, without limitation, expenses of tax attorneys, accountants, and the Tax Administrator) (collectively, “Taxes”) shall be timely paid out of the Escrow Account without prior Order of the Court. The Parties agree that the Tax Administrator, with the assistance of the Escrow Agent, shall be responsible for filing tax returns for the QSF and paying from the Escrow Account

any Taxes owed with respect to the QSF. The Parties hereto agree that the Account shall be treated as a QSF from the earliest date possible, and agree to any relation-back election required to treat the Account as a QSF from the earliest date possible. The Escrow Account shall be initially comprised of one fund which shall be a single QSF.

2. Certain notice and settlement administration costs will be accrued prior to final approval of the Settlement. Mitsubishi agrees to pay those costs as they are accrued and invoiced. Mitsubishi also agrees to deposit into the QSF \$8,500,000.00 less those initial notice and settlement administration costs no later than one (1) month prior to the date set by the Court for the Fairness Hearing, to fund the Settlement Fund. If the Court does not grant final approval to the Settlement, all funds remaining in the QSF, including any remaining funds deposited to cover the initial notice and settlement administration costs, shall revert to Mitsubishi. Mitsubishi shall make the payments detailed below and as further detailed in this Settlement Agreement. The Settlement Fund shall be used for the following purposes, as further described in this Agreement: (a) to pay valid and approved claims submitted by eligible Class Members; (b) to pay notice and related costs; (c) to pay for settlement and claims administration, including expenses associated with the Settlement Notice and Claims Administrator, taxes, fees, and related costs; (d) to pay Settlement Class Counsel's fees and expenses as the Court awards; (e) to make service award payments to the Mitsubishi Plaintiffs; and (f) to pay Taxes. The Settlement Fund may also be utilized for additional outreach and notice costs that the Parties jointly agree, after consulting with the Settlement Special Master, is necessary in furtherance of the terms of this Settlement. In no event shall Mitsubishi be required to pay any amount more than \$8,500,000.00 into the QSF. Amounts sufficient to pay for the costs set forth in subparts (a) and (b) and (d) through (f) above shall be paid from the QSF as directed by Co-Lead Counsel. Amounts sufficient to pay for the costs set forth in subpart (c) above

shall be paid from the QSF as directed by Co-Lead Counsel and Mitsubishi. In the event notice costs as set forth in subpart (b) above are required to be paid in advance of the QSF being funded, Mitsubishi shall pay those costs and will reduce its \$8,500,000.00 payment into the QSF to account for those costs actually incurred and paid before the QSF is funded.

3. It is expressly understood that should other Defendants enter into settlement agreements in the Action as part of a broader settlement in connection with this Agreement, then separate settlement funds will be created for such settling Defendants and their Class Vehicles and customers.

4. After the Court enters the Preliminary Approval Order, Mitsubishi, at its sole discretion, may, after consultation with Co-Lead Counsel, implement the benefit set forth in Section III.D, in advance of final approval.

B. Settlement Cash Benefits

1. After deducting expenses for settlement and claims administration, and Settlement Class Counsel's fees and expenses as the Court awards, the remaining Settlement Amount will be allocated evenly, on a per-capita basis, among all Mitsubishi Class Vehicles for which the Settlement Notice and Claims Administrator has received a valid Claim Form.

2. Settlement cash payments shall be up to \$250.00 per Class Vehicle. If more than one Class Member submits a valid Claim Form for the same Mitsubishi Class Vehicle, then the original owner who purchased that Mitsubishi Class Vehicle new shall receive 60% of the funds allocated to that Mitsubishi Class Vehicle, and the remaining 40% will be distributed evenly to or among the remaining Class Member(s) that submit a valid Claim Form on that Mitsubishi Class Vehicle.

3. Class Members may submit one Claim Form for each Mitsubishi Class Vehicle they own(ed) or lease(d).

4. The Settlement shall be non-reversionary, meaning that no amount of the Settlement Amount will revert to Mitsubishi, unless the Court does not grant final approval of the Settlement as set forth in Section III.A.2. If there are any unclaimed funds remaining from the Settlement Amount the Parties will attempt a second cash distribution of up to \$750 to all Class Members who received a cash payment as part of the initial distribution, if economically feasible to do so. If it is not feasible and/or economically reasonable to attempt a second distribution to Class Members who already submitted a valid and timely Claim Form, or if the Settlement Amount is not exhausted after the second cash distribution, then the remaining Settlement Amount shall be distributed to *cy pres* recipients recommended by the Parties, subject to the Court's approval. The Parties agree to work together to identify mutually agreeable *cy pres* candidates and will not unreasonably withhold approval of any candidates proposed by each other.

C. Settlement Claim Process

1. The Settlement Notice and Claims Administrator shall be responsible for overseeing the implementation and administration of the Settlement Claims Process, including validation of eligible claims, and approval of payments to Class Members. The reasonable and necessary fees and costs incurred by the Settlement Notice and Claims Administrator for administration of this Class Action Agreement will be paid exclusively out of the Settlement Amount.

2. Class Members will be required to submit a Claim Form as agreed by the Parties. Class Members may be asked to submit supporting documentation, including but not

limited to proof of ownership and/or lease. The Claim Form must be postmarked or submitted electronically by the last day of the Claims Period.

3. Upon receipt of a timely submitted Claim Form, the Settlement Notice and Claims Administrator will review the Claim Form to determine whether it meets all qualifications for payment (including any need for supporting documentation). If the Claim Form is incomplete or otherwise insufficient, the Settlement Notice and Claims Administrator shall contact the Class Member regarding these deficiencies and provide the Class Member thirty days to provide the missing information. In the event of a disagreement between the Parties, the Settlement Notice and Claims Administrator shall have complete and final authority to determine whether individual claims are valid or not under the terms of this Agreement.

4. The Settlement Notice and Claims Administrator shall calculate the payment amount for each timely and valid and complete Claim Form, which shall be paid after the Claims Period closes.

5. Claim Forms shall be made available to Class Members through various means, including U.S. Mail, e-mail, internet, social media, and other similar agreed-upon manners of dissemination. I. The Mitsubishi Plaintiffs expressly understand and acknowledge, and all Mitsubishi Plaintiffs and Class Members will be deemed by the Final Approval Order and Final Judgment to acknowledge and waive Section 1542 of the Civil Code of the State of California, which provides that:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of

executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or release party.

The Mitsubishi Plaintiffs and Class Members expressly waive and relinquish any and all rights and benefits that they may have under, or that may be conferred upon them by, the provisions of Section 1542 of the California Civil Code, or any other law of any state or territory that is similar, comparable, or equivalent to Section 1542, to the fullest extent they may lawfully waive such rights.

M. Pending final approval of this Settlement via issuance by the Court of the Final Approval Order and Final Judgment, the Parties agree that any and all outstanding pleadings, discovery, deadlines, and other pretrial requirements are hereby stayed and suspended as to Mitsubishi. Upon the occurrence of final approval of this Settlement via issuance by the Court of the Final Approval Order and Final Judgment, the Parties expressly waive any and all such pretrial requirements as to Mitsubishi.

N. Nothing in this Release shall preclude any action to enforce the terms of the Agreement, including participation in any of the processes detailed herein.

Any fees and expenses approved by the Court will be paid from the Settlement Fund and wired from the Escrow Account to an account specified by Co-Lead Counsel within three business days of the Court's order approving such fees and expenses. Mitsubishi reserves the right to oppose Co-Lead Counsel's motion.

X. MODIFICATION OR TERMINATION OF THIS AGREEMENT

A. The terms and provisions of this Agreement may be amended, modified, or expanded by written agreement of the Parties, through their respective counsel, and approval of the Court; provided, however, that after entry of the Final Approval Order and Final Judgment, the Parties, through their respective counsel, may by written agreement effect such amendments, modifications, or expansions of this Agreement and its implementing documents (including all exhibits hereto) without further notice to the Class or approval by the Court if such changes are

consistent with the Court's Final Approval Order and Final Judgment and do not limit the rights of Class Members under this Agreement.

B. This Agreement shall terminate at the discretion of either Mitsubishi or the Mitsubishi Plaintiffs, through Co-Lead Counsel, if: (1) the Court, or any appellate court(s), rejects, modifies, or denies approval of any portion of this Agreement or the proposed Settlement that results in a substantial modification to a material term of the proposed Settlement, including, without limitation, the amount and terms of relief, the obligations of the Parties, the findings, or conclusions of the Court, the provisions relating to notice, the definition of the Class, and/or the terms of the Release; or (2) the Court, or any appellate court(s), does not enter or completely affirm, or alters, narrows or expands, any portion of the Final Approval Order and Final Judgment, or any of the Court's findings of fact or conclusions of law, that results in a substantial modification to a material term of the proposed Settlement. The terminating Party must exercise the option to withdraw from and terminate this Agreement, as provided in this Section X, by a signed writing served on the other Parties no later than 20 days after receiving notice of the event prompting the termination. The Parties will be returned to their positions *status quo ante*.

C. If an option to withdraw from and terminate this Agreement arises under Section X.B above, neither Mitsubishi nor the Mitsubishi Plaintiffs are required for any reason or under any circumstance to exercise that option and any exercise of that option shall be in good faith.

D. If, but only if, this Agreement is terminated pursuant to Section X.B, above, then:

1. This Agreement shall be null and void and shall have no force or effect, and no Party to this Agreement shall be bound by any of its terms, except for the terms of Section X.D herein;

2. The Parties will petition the Court to have any stay orders entered pursuant to this Agreement lifted;
3. All of its provisions, and all negotiations, statements, and proceedings relating to it shall be without prejudice to the rights of Mitsubishi, the Mitsubishi Plaintiffs or any Class Member, all of whom shall be restored to their respective positions existing immediately before the execution of this Agreement, except that the Parties shall cooperate in requesting that the Court set a new scheduling order such that no Party's substantive or procedural rights are prejudiced by the settlement negotiations and proceedings;
4. The Mitsubishi Plaintiffs and all other Class Members, on behalf of themselves and their heirs, assigns, executors, administrators, predecessors, and successors, expressly and affirmatively reserve and do not waive all motions as to, and arguments in support of, all claims, causes of actions or remedies that have been or might later be asserted in the Actions including, without limitation, any argument concerning class certification, and treble or other damages;
5. Mitsubishi and the other Released Parties expressly and affirmatively reserve and do not waive all motions and positions as to, arguments in support of, and substantive and procedural rights as to all defenses to the causes of action or remedies that have been sought or might be later asserted in the actions, including without limitation, any argument or position opposing class certification, liability, or damages;

6. Neither this Agreement, the fact of its having been made, nor the negotiations leading to it, nor any discovery or action taken by a Party or Class Member pursuant to this Agreement shall be admissible or entered into evidence for any purpose whatsoever;
7. Any settlement-related order(s) or judgment(s) entered in this Action after the date of execution of this Agreement shall be deemed vacated and shall be without any force or effect;
8. All costs incurred in connection with the Settlement, including, but not limited to, notice, publication, and customer communications, shall be paid from the Settlement Fund and all remaining funds shall revert back to Mitsubishi as soon as practicable. Neither the Mitsubishi Plaintiffs nor Settlement Class Counsel shall be responsible for any of these costs or other settlement-related costs; and
9. Any Attorneys' Fees and Expenses previously paid to Settlement Class Counsel shall be returned to Mitsubishi within 14 calendar days of termination of the Agreement.

XI. GENERAL MATTERS AND RESERVATIONS

- A. Mitsubishi has denied and continues to deny each and all of the claims and contentions alleged in the Actions, and has denied and continues to deny that it has committed any violation of law or engaged in any wrongful act or omission that was alleged, or that could have been alleged, in the Actions. Mitsubishi believes that it has valid and complete defenses to the claims asserted against it in the Actions and denies that it committed any violations of law, engaged in any unlawful

act or conduct, or that there is any basis for liability for any of the claims that have been, are, or might have been alleged in the Actions. Nonetheless, Mitsubishi has concluded that to avoid the burden, expense, risk, and uncertainty of continuing to litigate the claims, it is preferable that the Actions be fully and finally settled in the matter upon the terms and conditions set forth in this Agreement.

B. The obligation of the Parties to implement the proposed Settlement is and shall be contingent upon each of the following:

1. Entry by the Court of a Final Approval Order and final judgment identical to, or with the same material terms as, the Final Approval Order and Final Judgment approving the Settlement, from which the time to appeal has expired or which has remained unmodified after any appeal(s); and
2. Any other conditions stated in this Agreement.

C. The Parties and their counsel agree to keep the existence and contents of this Agreement confidential until the date on which the Motion for Preliminary Approval is filed; provided, however, that this Section shall not prevent Mitsubishi from disclosing such information, prior to the date on which the Motion for Preliminary Approval is filed, to state and federal agencies, independent accountants, actuaries, advisors, financial analysts, insurers or attorneys, or as otherwise required by law. Nor shall it prevent the Parties and their counsel from disclosing such information to persons or entities (such as experts, courts, co-counsel, and/or administrators) to whom the Parties agree disclosure must be made to effectuate the terms and conditions of this Agreement.

D. Plaintiffs and Co-Lead Counsel on behalf of Settlement Class Counsel agree that any confidential information made available to them solely through the settlement process was

made available, as agreed to, on the condition that neither Plaintiffs nor their counsel may disclose it to third parties (other than experts or consultants retained by Plaintiffs in connection with the Actions), nor may they disclose any quotes or excerpts from, or summaries of, such information, whether the source is identified or not; that it not be the subject of public comment; that it not be used by Plaintiffs or Settlement Class Counsel or other counsel representing plaintiffs in the Actions in any way in this litigation or any other litigation or otherwise should the Settlement not be achieved, and that it is to be returned if a Settlement is not concluded; provided, however, that nothing contained herein shall prohibit Plaintiffs from seeking such information through formal discovery if appropriate and not previously requested through formal discovery or from referring to the existence of such information in connection with the Settlement of the Actions.

E. Information provided by Mitsubishi during the settlement process, including trade secrets and highly confidential and proprietary business information, shall be deemed “Highly Confidential” pursuant to the Confidentiality Order entered in the MDL and any other confidentiality or protective orders that have been entered in the Actions or other agreements, and shall be subject to all of the provisions thereof. Any materials inadvertently produced shall, upon Mitsubishi’s request, be promptly returned to Mitsubishi’s Counsel, and there shall be no implied or express waiver of any privileges, rights, and defenses.

F. Within 90 days after dismissal of all the Actions (unless the time is extended by agreement of the Parties), all “Confidential” and “Highly Confidential” documents and materials (and all copies of such documents in whatever form made or maintained, including documents referring to such documents) produced during the settlement process by Mitsubishi or Mitsubishi’s Counsel to Settlement Class Counsel shall be returned to Mitsubishi’s Counsel. Alternatively, Settlement Class Counsel shall certify to Mitsubishi’s Counsel that all such documents and

materials (and all copies of such documents in whatever form made or maintained including documents referring to such documents) produced by Mitsubishi or Mitsubishi's Counsel during the settlement process have been destroyed, provided, however, that this Section XI.F shall not apply to any documents made part of the record in connection with a Claim, nor to any documents made part of a Court filing, nor to Settlement Class Counsel's work product (as to which the confidentiality provisions above shall continue to apply). All "Confidential" and "Highly Confidential" documents and materials produced by Mitsubishi or Mitsubishi's Counsel shall maintain their designation until final dismissal of all Actions. Six months after the distribution of the settlement funds to Class Members who submitted valid Claim Forms, the Settlement Notice and Claims Administrator shall either destroy or return all documents and materials to Mitsubishi, Mitsubishi's Counsel or Settlement Class Counsel that produced the documents and materials, except that they shall not destroy any and all Claim Forms, including any and all information and/or documentation submitted by Class Members. Nothing in this Agreement shall affect or alter the terms of the MDL Confidentiality Order or any other applicable confidentiality agreement, which shall govern the documents produced in the Actions.

G. Mitsubishi's execution of this Agreement shall not be construed to release – and Mitsubishi expressly does not intend to release – any claim Mitsubishi may have or make against any insurer or other party for any cost or expense incurred in connection with this Action and/or Settlement, including, without limitation, for attorneys' fees and costs.

H. Co-Lead Counsel for themselves and on behalf of Settlement Class Counsel represents that: (1) they are authorized by the Plaintiffs to enter into this Agreement with respect to the claims in these Actions; and (2) they are seeking to protect the interests of the Class.

I. Co-Lead Counsel for themselves and on behalf of Settlement Class Counsel further represents that the Mitsubishi Plaintiffs: (1) have agreed to serve as representatives of the Class proposed to be certified herein; (2) are willing, able, and ready to perform all of the duties and obligations of representatives of the Class, including, but not limited to, being involved in discovery and fact finding; (3) have read the pleadings in the Actions, including the ACCAC, or have had the contents of such pleadings described to them; (4) are familiar with the results of the fact-finding undertaken by Settlement Class Counsel; (5) have been kept apprised of settlement negotiations among the Parties, and have either read this Agreement, including the exhibits annexed hereto, or have received a detailed description of it from Settlement Class Counsel and they have agreed to its terms; (6) have consulted with Settlement Class Counsel about the Actions and this Agreement and the obligations imposed on representatives of the Class; (7) have a good faith belief that this Settlement and its terms are fair, adequate, reasonable and in the best interests of the Class; (8) have authorized Co-Lead Counsel to execute this Agreement on their behalf; and (9) shall remain and serve as representatives of the Class until the terms of this Agreement are effectuated, this Agreement is terminated in accordance with its terms, or the Court at any time determines that said Plaintiffs cannot represent the Class (“Class Representative”).

J. The Parties acknowledge and agree that no opinion concerning the tax consequences of the proposed Settlement to Class Members is given or will be given by the Parties, nor are any representations or warranties in this regard made by virtue of this Agreement. Each Class Member’s tax obligations, and the determination thereof, are the sole responsibility of the Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Class Member.

K. Mitsubishi represents and warrants that the individuals executing this Agreement are authorized to enter into this Agreement on the behalf of Mitsubishi.

L. This Agreement, complete with its Exhibits 1-3, sets forth the sole and entire agreement among the Parties with respect to its subject matter, and it may not be altered, amended, or modified except by written instrument executed by Co-Lead Counsel on behalf of Settlement Class Counsel and Mitsubishi's Counsel on behalf of Mitsubishi. The Parties expressly acknowledge that no other agreements, arrangements, or understandings not expressed or referenced in this Agreement exist among or between them, and that in deciding to enter into this Agreement, they rely solely upon their judgment and knowledge. This Agreement supersedes any prior agreements, understandings, or undertakings (written or oral) by and between the Parties regarding the subject matter of this Agreement. Each Party represents that he or she is not relying on any representation or matter not included in this Agreement.

M. This Agreement and any amendments thereto shall be governed by and interpreted according to the law of the State of California notwithstanding its conflict of laws provisions.

N. Any disagreement and/or action to enforce this Agreement shall be commenced and maintained only in the United States District Court for the Central District of California that oversees the MDL.

O. Whenever this Agreement requires or contemplates that one of the Parties shall or may give notice to the other, notice shall be provided by e-mail and/or next-day (excluding Saturdays, Sundays, and Federal Holidays) express delivery service as follows:

P. All time periods set forth herein shall be computed in calendar days unless otherwise expressly provided. In computing any period of time prescribed or allowed by this Agreement or by order of the Court, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a Federal Holiday, or, when the act to be done is the filing of a paper in court, a day on which weather or other conditions have made the office of the clerk of the court inaccessible, in which event the period shall run until the end of the next day that is not one of the aforementioned days. As used in this Section XI.P “Federal Holiday” includes New Year’s Day, Birthday of Martin Luther King, Jr., Presidents’ Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans Day, Patriot’s Day, Thanksgiving Day, Christmas Day, and any other day appointed as a holiday by the President, the Congress of the United States, or the Clerk of the United States District Court for the Central District of California.

Q. The Parties reserve the right, subject to the Court's approval, to agree to any reasonable extensions of time that might be necessary to carry out any of the provisions of this Agreement.

R. The Class, the Mitsubishi Plaintiffs, Settlement Class Counsel, Mitsubishi, or Mitsubishi's Counsel shall not be deemed to be the drafter of this Agreement or of any particular provision, nor shall they argue that any particular provision should be construed against its drafter. All Parties agree that this Agreement was drafted by counsel for the Parties during extensive arm's-length negotiations. No parol or other evidence may be offered to explain, construe, contradict, or clarify its terms, the intent of the Parties or their counsel, or the circumstances under which this Agreement was made or executed.

S. The Parties expressly acknowledge and agree that this Agreement and its exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, and correspondence, constitute an offer of compromise and a compromise within the meaning of Federal Rule of Evidence 408 and any equivalent rule of evidence in any state. In no event shall this Agreement, any of its provisions or any negotiations, statements or court proceedings relating to its provisions in any way be construed as, offered as, received as, used as, or deemed to be evidence of any kind in the Actions, any other action, or in any judicial, administrative, regulatory or other proceeding, except in a proceeding to enforce this Agreement or the rights of the Parties or their counsel. Without limiting the foregoing, neither this Agreement nor any related negotiations, statements, or court proceedings shall be construed as, offered as, received as, used as or deemed to be evidence or an admission or concession of any liability or wrongdoing whatsoever on the part of any person or entity, including, but not limited to, the Released Parties, Plaintiffs, or the Class or as a waiver by the Released Parties, Plaintiffs or the Class of any applicable privileges, claims or defenses.

T. Plaintiffs expressly affirm that the allegations as to Mitsubishi contained in the ACCAC were made in good faith but consider it desirable for the Actions to be settled and dismissed as to Mitsubishi because of the substantial benefits that the Settlement will provide to Class Members.

U. The Parties, their successors and assigns, and their counsel undertake to implement the terms of this Agreement in good faith, and to use good faith in resolving any disputes that may arise in the implementation of the terms of this Agreement.

V. The waiver by one Party of any breach of this Agreement by another Party shall not be deemed a waiver of any prior or subsequent breach of this Agreement.

W. If one Party to this Agreement considers another Party to be in breach of its obligations under this Agreement, that Party must provide the breaching Party with written notice of the alleged breach and provide a reasonable opportunity to cure the breach before taking any action to enforce any rights under this Agreement.

X. The Parties, their successors and assigns, and their counsel agree to cooperate fully with one another in seeking Court approval of this Agreement and to use their best efforts to effect the prompt consummation of this Agreement and the proposed Settlement.

Y. This Agreement may be signed with an electronic signature and in counterparts, each of which shall constitute a duplicate original, all of which taken together shall constitute one and the same instrument.

Z. In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision if Mitsubishi, and Co-Lead Counsel on behalf of Settlement Class Counsel, Plaintiffs, and Class Members, mutually agree in

writing to proceed as if such invalid, illegal, or unenforceable provision had never been included in this Agreement. Any such agreement shall be reviewed and approved by the Court before it becomes effective.

AA. This Agreement shall be effective upon its execution by Co-Lead Counsel, Mitsubishi, and Mitsubishi's Counsel, except for those provisions that require Court-approval to be effective, and those provisions shall become effective upon their approval by the Court.

BB. Until the Settlement receives final approval from the Court, Mitsubishi agrees to participate in the confirmatory discovery process.

CC. The Court retains ongoing and exclusive jurisdiction over the Parties, the Actions, and this Agreement to resolve any dispute that may arise regarding this Agreement or in relation to the Actions, including any dispute regarding validity, performance, interpretation, administration, enforcement, enforceability, or termination of this Agreement.

EXHIBIT 3

Mitsubishi EOS Inspection Program

Mitsubishi will provide the following EOS inspection program for 10 years from the date of entry of the Preliminary Approval Order.

Unless otherwise defined in this Exhibit 3, all capitalized terms have the same meaning as defined in the Settlement Agreement.

I. Definitions

- A. “**Airbag(s)**” means any of the multi-stage airbags designed to protect the driver or passenger(s) sitting in the front seats of the vehicle.
- B. “**Qualifying Incident**” means a Mitsubishi Class Vehicle is involved in a frontal crash; and:
 - (a) Mitsubishi has received notice of a personal injury or property damage incident in which a ZF-TRW airbag control unit (“**ZF-TRW ACU**”), seatbelt pretensioner, and/or Airbag did not deploy in that vehicle; or
 - (b) Mitsubishi has received notice that the driver and/or passenger in any of the front seats of the Mitsubishi Class Vehicle allegedly died or suffered a Serious Injury in a frontal collision in which any of that person’s Airbags or seatbelt pretensioners did not deploy.
- C. “**Serious Injury**” means an injury meeting the criteria of Abbreviated Injury Scale (“**AIS**”) Code 3 or above on the AIS, as that term is used in National Highway Traffic Safety Administration’s (“**NHTSA**”) information request. *See* <https://static.nhtsa.gov/odi/inv/2019/INIM-EA19001-86958P.pdf>.
- D. “**Mitsubishi**” means (i) Mitsubishi Motors Corporation and its controlled subsidiary Mitsubishi Motor Sales of the Caribbean, Inc., and (ii) Mitsubishi Motors North America, Inc., including its controlled subsidiary Mitsubishi Motors R&D of America, Inc.,
- E. “**Mitsubishi Class Vehicle**” means any 2013–2017 Mitsubishi Lancer, 2013–2015 Mitsubishi Lancer Evolution, 2013–2015 Mitsubishi Lancer Ralliart, 2013–2016 Mitsubishi Lancer Sportback, and 2013 Mitsubishi Outlander that was sold or leased in the United States.

II. Protocol for Qualifying Incidents Involving Mitsubishi Class Vehicles

- A. Upon receipt of notice of a Qualifying Incident involving a Mitsubishi Class Vehicle, Mitsubishi shall make a good faith effort within 30 days to do the following:
 - 1. Mitsubishi will contact the then-current owner/lessee of the vehicle to request authority to:
 - a. Download the Event Data Recorder data (“**EDR**”);
 - b. Check the DTC (diagnostic trouble codes) relating to the vehicle’s

electrical systems; and

- c. Perform a visual inspection and photographically document the vehicle, including but not limited to the vehicle's damage, and, to the extent practicable, the ZF-TRW ACU's wire harness and sensors.
2. If the inspection steps described in Paragraph II.A.1, above, are unsuccessful, if the data download is incomplete or does not provide coherent data, and/or if the results otherwise are consistent with Airbag Control Unit ("ACU") failure, Mitsubishi will escalate the inspection to recover, with the customer's consent, the vehicle's ACU and attempt a further download.
 - a. If Mitsubishi determines in good faith that the ACU does not communicate with the crash data retrieval tool correctly or that the ACU returned a partial or interrupted crash record or no crash record for the at-issue incident, the ACU will be sent to ZF-TRW with a request for further inspection. The request will specifically ask for ZF-TRW to check for diagnostic trouble codes that indicated a shutdown or reset during the crash and to measure the resistance to ground on the ACU.
 - b. Mitsubishi, at its discretion and as necessary, can perform or arrange further downloads of other data from the vehicle to complete its analysis.

III. Documentation and Reporting of Inspection

- A. To the extent Mitsubishi has downloaded the Mitsubishi Class Vehicle's EDR data, the information downloaded from the EDR will be provided to the current owner/lessee of the vehicle.
- B. To the extent it is determined that there is an electrical overstress condition, Mitsubishi shall:
 1. Provide the current owner/lessee and Co-Lead Counsel with the photographs and other information related to the inspection (including the model and model year of the vehicle), and
 2. While NHTSA's Engineering Analysis (EA) 19-001 to investigate allegations of the failure of the ACUs supplied by ZF-TRW remains open, if and as required under the TREAD Act, report the incident to NHTSA.
